No 659

SIR,

Subject — Acquisition of land for the construction of Municipal Office building at Thyamagondlu, Nelamangala Taluk

With reference to correspondence ending with your letter No.L.8164 dated 14-6-1933 on the above subject, I have the honour to state that the estimate was sanctioned by this Office in accordance with rule 27(3) of the Rules under the Municipal Account Manual. I have since seen that according to Rule 241 (iii) of the same Manual Estimates for amounts exceeding Rs. 1500/- require Government sanction and I am now following this rule. But I may point out that the two rules are conflicting with each other and that therefore the Manual requires suitable amendment.

It is reported that the Municipal Council has enough funds at its credit to meet the expenditure

The record accompanies.
